Miss Buckley

Mrs Williams

Mrs McLaughlin

Miss Mulvaney

This is the entrance to our Nursery.

This is where you will say goodbye to your grown up. This is also where your grown up will be waiting for you at home time.

We sing the same song before home time every day so that you know when it is time to go home. We also have a visual timetable so that you always know what is happening next at Nursery.

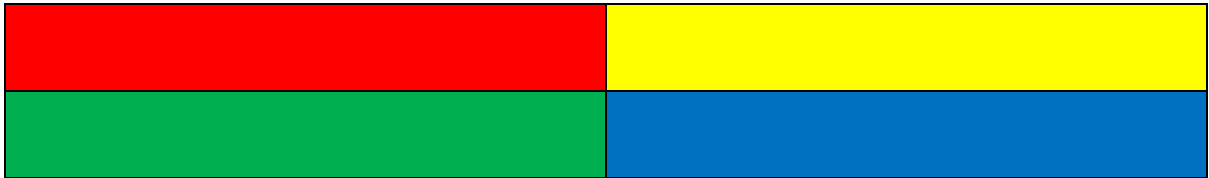

We wear uniform to Nursery every day.

You will bring your water bottle to Nursery with you every day and a book bag on a Friday.

Can you name these colours?

**You will find your name card and
hang up your coat in red, yellow,
green or blue area.**

We have a snack time at Nursery.

Before snack time we wash our hands. We sit on the carpet together while we eat our snacks and have a drink.

These are the toilets and sinks.

This is our outside area.

**You will have lots of time to play,
learn and make friends at Nursery.**

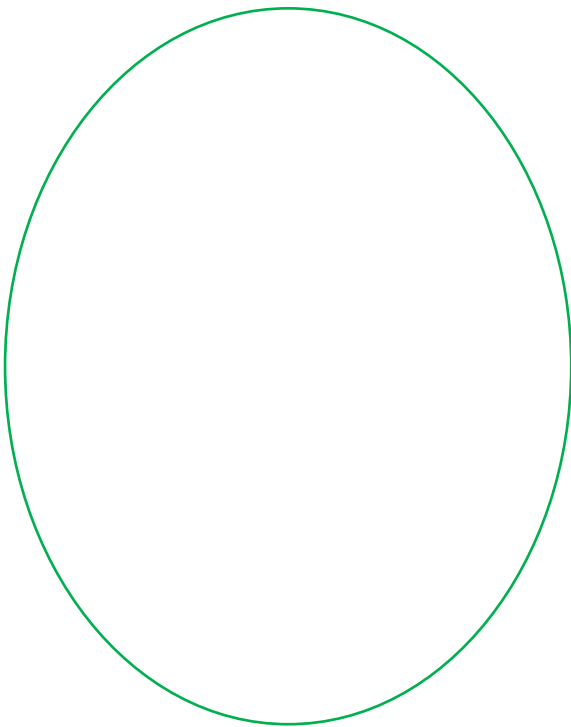

All About Me

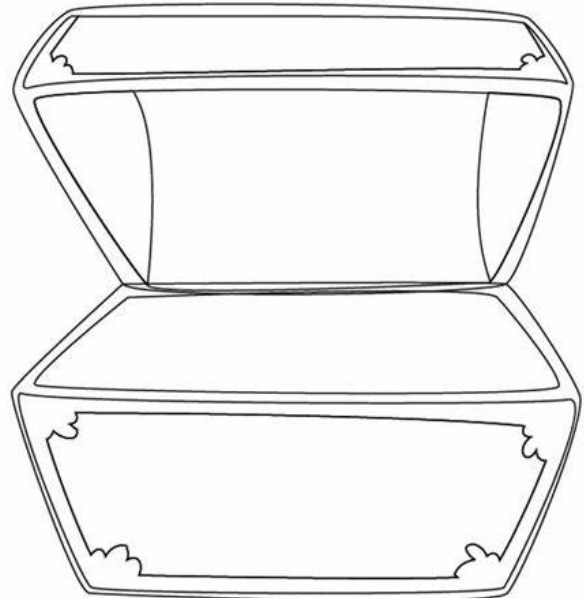

Name: _____

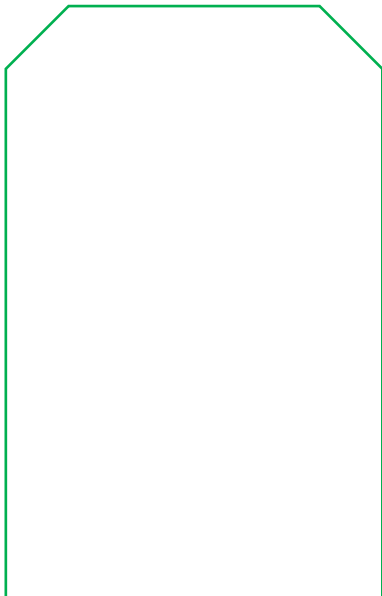

Can you draw a picture of yourself?

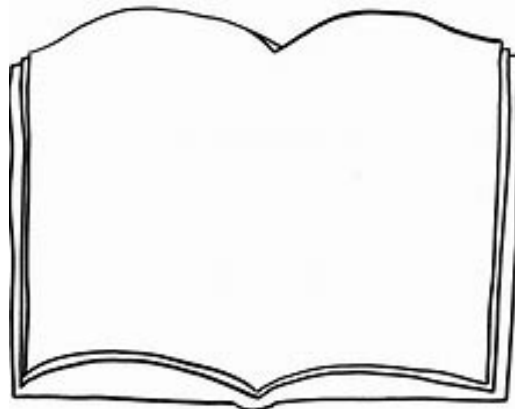

I like to play with...

I live with...

My favourite book is...

All About Me

My favourite fruit is...

One thing I like is...

One thing I don't like is...

I would like to learn about...

Please return this 'All About Me' sheet to Nursery in September.
