Primary School

Aspire, Perform, Succeed

Welcome to Yellow Class Transition Booklet

From September you will be dropped off at the Reception Playground gate.

Yellow Class

This is where you will say goodbye to your grown up. Your grown up will be waiting for you in the playground at home time.

We sing the same song before home time every day so that you know when it is time to go home.

We also have a visual timetable so that you always know what is happening next in Yellow Class.

Every day we wear our smart uniform.

You will bring your named water bottle and book bag to Yellow Class every day.

You will place your water bottle into a tray, so that you can have a drink when you feel thirsty and you will put your book-bag into a box.

You will hang your coat on a coat peg.

We have a snack time in Reception.

Before snack time we wash our hands. We sit together while we eat our snacks and have a drink.

We go into the hall for our lunch.

You can choose a delicious, healthy lunch and dessert.

This is where we go to the toilet and where we wash our hands.

You will be able to play in two outside areas:

The playground

The courtyard

You will have lots of time to play, learn and make friends in Yellow Class.

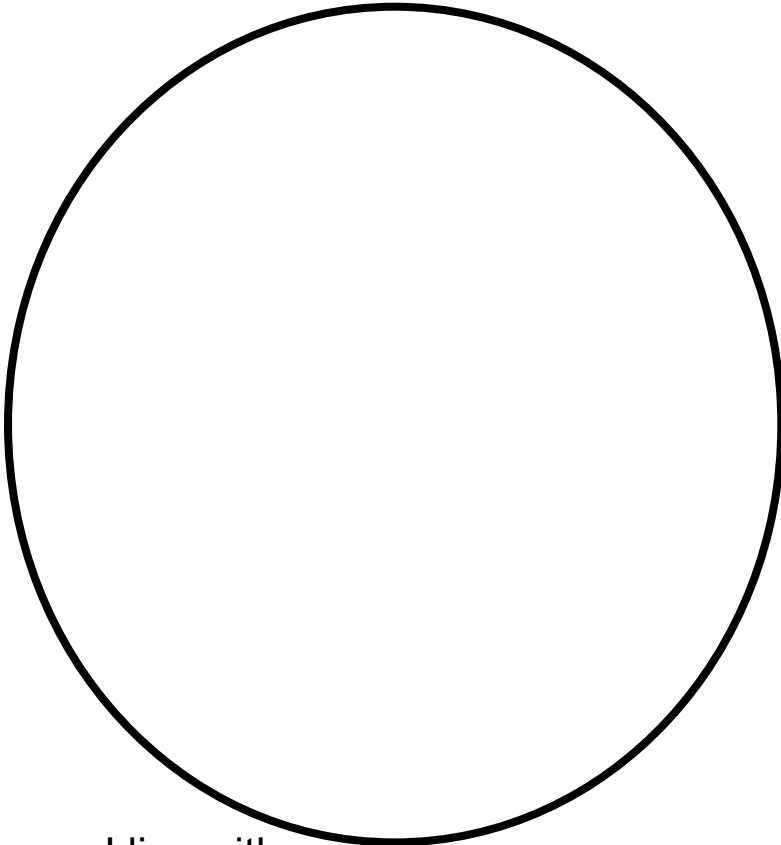

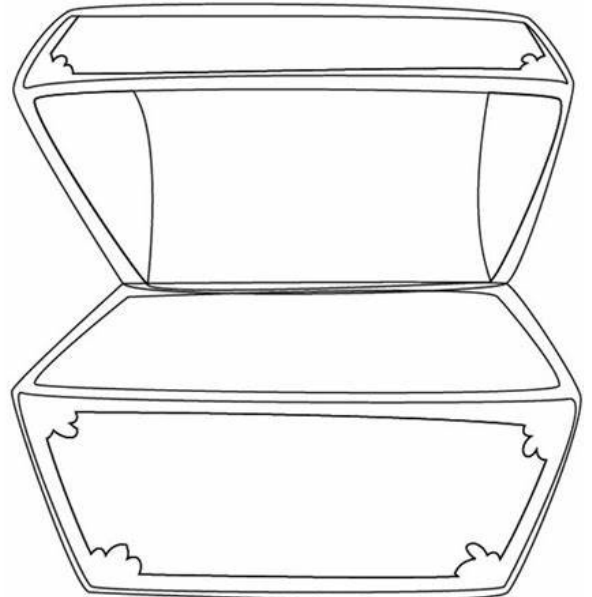

All About Me

Name: _____

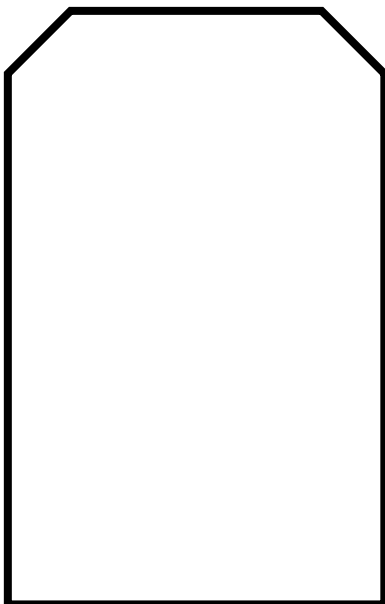

Can you draw a picture of yourself?

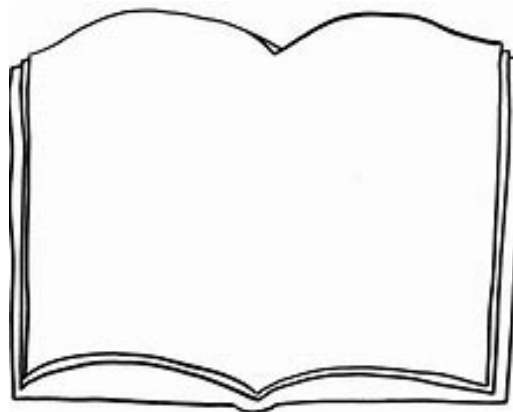

I like to play with...

I live with...

My favourite book is...

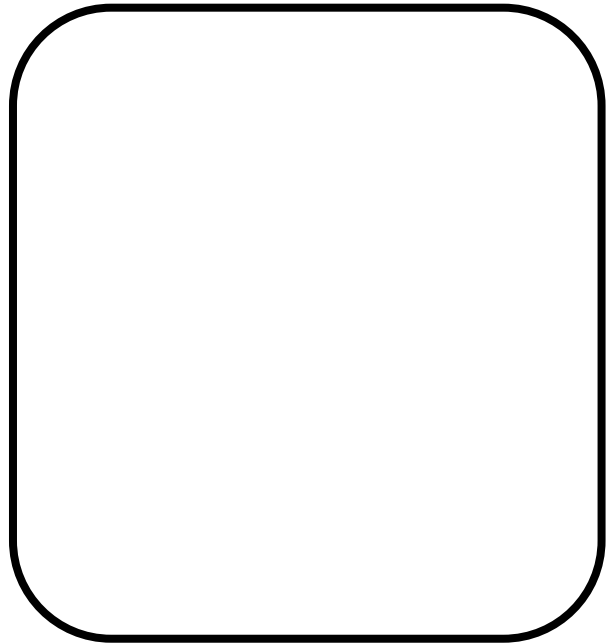

All About Me

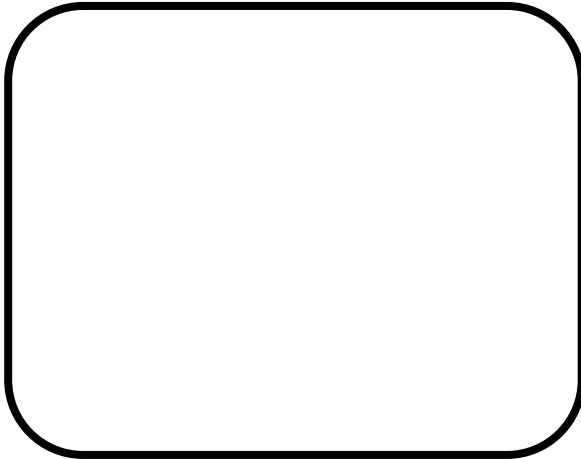

My favourite fruit is...

One thing I like is...

One thing I don't like is...

I would like to learn about...

Please return this 'All About Me' sheet to Reception in September.
