

Aspire, Perform, Succeed Year Group: Year 2

2 Week beginning: 13.01.25 Weekly Overview

Every Tuesday, you will see the weekly overview that sets out our learning for the week on the learning section of our school website and on Google Classroom. This is the work that children will be doing in school. Please take note of the 'Homework' section at the bottom of the grid. Homework will be set on Monday and will be expected to be completed by the Monday of the following week. If there are any questions, please email the Year 2 team at year2@alexandra.hounslow.sch.uk

RE	D&T		PE	
LI: To investigate why some Guru Nanak is seen as special from	LI: To explore different design options		Indoor PE - The children will have their second session with Miss Alice	
 birth in the Sikh worldview. We will talk about what the Sikh worldview is. Then children will listen to 'The Story of Guru Nanak's Birth'. We will then discuss it. Finally, we will look at connections between Guru Nanak and baby Jesus. Task – To compare the differences and similarities between 'The Christmas Story' and 'The Story of Guru Nanak's Birth'. 	might look like and will consid features for their own design Task - Children will create tw monster mechanism toy. The systems they made last week	o designs for their moving y will reflect on their linkage and will include these within sked to work with their peers to	from Dance Energy. They will be focusing on sequencing, rhythm and mirroring actions in dance. Outdoor PE - The children will also continue to have their weekly PE lesson, with their class teacher. This week's focus will be on various techniques to stop a ball from rolling. Reminder: Due to Health and Safety - Earrings or other forms of jewellery are not to be worn during PE lessons.	
Computing		Music		
 LI: To explain what happens when we change the order of instructions. Introduction – Discuss how order is important (spelling 'loelh' = hello. Look at directional arrows and what they mean. Task - Using the activity sheet, the children will use directional arrows to create four different outcomes for a beebot. 		 LI: To find the pulse in a piece of music. Introduction – Recap pulse by singing and tapping 'Kye Kye Kule' call and response song. Recap following symbols to keep a steady beat. The children will Learn 'Hey, hey look at me' song. Look, using symbols how the pulse and rhythm are different. Task - Children to match words to the pulse for 'Copy Cat' song. 		

Homework					
Homework is set on a Monday and uploaded to Google Classroom and is expected to be returned by the following Monday. Please upload completed homework tasks to your Google classroom where possible (unless					
it is Doodle or online packages.) This can be submitted once completed over the week. Please complete it before the following Monday when the next homework will be set.					
<u>Reading</u> :	Homework:				
Children should read for 20 minutes each day.	Homework will be posted on google classroom as google slides. Students complete slides and hand in via google classroom or a printed copy to the teacher.				
Make sure you follow the 8 reading strategies that you have learnt at school to help					
your understanding of what you read.	clothes	block
