

# Year 3 Summer Homework – The Rolling Stones

Your summer homework has been set by your new Year 3 teachers. Please hand it in on the first full week back to school.

## Homework

### Reading/Spelling and Grammar

Please read for at least 20 minutes every day and record this in your pupil planner as a reading log. Remember to bring your planner in every day in Year 3.

Your teacher will check and sign your planner once a week when you are back at school.

Over the Summer holiday, aim to read different text genres such as: a biography, classic novel, adventure story, poems, newspaper or cultural story.

Who will be top of the leader board when we return to school?!

*Try out a new book on Bug Club. This can be added to the reading that you do at home,*

*which will go into your diaries.*

Doodle – Log on to your account to reach your **Green Target** over the holiday in: English and Spell.

We will be checking to see who has accessed their account their account, the correct amount and achieved the most Stars in Effort.

Spelling and dictation – Create a dictionary of 10 words from the Year 3 and 4 statutory spellings list. (The list is on the next page).

These 10 words should be ones that you find trickiest to spell or understand.

Remember to try to use these words in sentences to show that you understand their meanings.

Please go through them and:

- 1) be able to read them;
- 2) know what they mean;
- 3) look up the definition in a dictionary (what do they mean? What word class are they? Do they have more than one meaning?)
- 4) practise spelling them in fun ways;
- 5) put them into creative sentences.

### Maths

Doodle – Log on to your account to reach your **Green Target** this week in: Maths and Tables.

We will be checking to see who has accessed their account, the correct amount, and achieved the most Stars in Effort.

Are you in the **green** yet?

Times Tables Rockstars:

Take part in the weekly Year 3 Battle of the Bands!

It will help you to practise your multiplication facts as well as compete with the other classes!

You can also practise using [www.timestables.co.uk](http://www.timestables.co.uk) for free. Test yourself and maybe compete with a family member.

We would like you to:

1) Practise your **TIMES TABLES** and **DIVISION FACTS**.

Use your Pupil Planners to help. BBC Super movers have the fun videos to help too.

### Extra Reading Challenge

**We would like the children to take some photos of themselves reading in unusual places!**

**These can then be used as a display within the year group to help show how amazing reading can be, no matter where you may be.**

**Examples for photos could include; buried in the sand on the beach; riding a rollercoaster or hanging upside down from some monkey bars.**

**Be creative, be safe and have fun!**
